

## Join the party!

At the Boys & Girls Club of the Muskegon Lakeshore, we aim to inspire all young people to reach their full potential. Our team offers robust programming focused on building strong minds, character, and healthy lifestyles. We live our purpose daily, serving more than 1,400 youth annually in Muskegon County.

Since our beginning in 2015, the number of youth served each year continues to grow, and so does the need for the all too important funding to make BGCML's impactful programs and services possible.

On May 18, 2024, we are hosting another unforgettable 9th annual Great Futures Gala – full of food, fun, philanthropy, and fireworks. The annual event is the BGCML's largest fundraiser of the year that supports our mission. *New Doors. More Great Futures.* That's right, we are moving to a NEW event location at our renovated Clubhouse on Muskegon Lake. All sponsors and guests get the first sneak peek of the all-inclusive Clubhouse. A Place for All.

**We invite you to join us this year as a sponsor of this meaningful and memorable party.** We are offering marvelous heavy hors d'oeuvres from Harris Hospitality, late night pizza, an open bar, signature cocktails, live music, dancing, auctions, and raffles.

Your sponsorship includes tickets to this exciting and magical night with a great view of our finale fireworks show, as well as visibility at the party and, in the weeks prior, on our social platforms and website.

Please join us. Any level of sponsorship is greatly appreciated. **The deadline to become a sponsor and receive the benefits of full recognition is Monday, April 22.** Please fill out the attached sponsorship form and send it to Monica Turnbull ([MTurnbull@bgclubmuskegon.com](mailto:MTurnbull@bgclubmuskegon.com)), along with payment made to BGCML, mailed to PO Box 1018, Muskegon, MI 49443.

This evening would not be possible without our generous community. We look forward to another successful event to honor and recognize the impact BGCML has on our youth. Please do not hesitate to reach out to either of us, or Monica, with any questions.

**Thank you for your consideration. #GreatFuturesStartHere**
